Doug -

I know you're too smart to be fooled by a personal spam message.

So I'll be direct...

We've built an incredible EXCLUSIVE (invite-only) network (in a FB group) that contains potential clients for you and a community of "Super Connectors" who are focused on ending world thirst along side of us.

We provide premium high ticket sales coaching and secrets to the lost art of prospecting for FREE, weekly in our group - never an obligation.

We also have a completely DISRUPTIVE software that empowers online businesses to turn their "likes into leads" and their valuable "content into conversations" using DMs. Would love to show it to you.

So, two questions...

1. open to keep chatting?
2. would you like to become part of our "Super Connector" Tribe?

Hey Doug

Just confirming that you got my invite message above.
I think you'd make a great fit, is it cool if I add you?

Sure, i will check it out

Hi Edwin, reaching out to you because you've made it through our preliminary qualification to become part of our exclusive community called the "FlowChat - Official Community".

It's a network (FB Grp) I share with people I believe to be 'movers & shakers' in their respective field.

We connect, network, and rally around the lost art of prospecting and sales with intense focus on how to fill the appointment book with qualified sales calls even in these crazy times.

I only add Owners with at least 1 year of experience.

Is this something you'd like to be a part of?

Hi Chris, yes please include me... Thanks!

Fantastic!

Done.

Edwin, great to have you in the group! Welcome!

Let me know if you have any questions or if there is anything this group can help you with in particular.

Feel free to chime in and add value. (elbow bump) 🙌

Thanks Chris... What a welcome! Love the elbow bump 😊

Hey Edwin,

Now that you're part of our FlowChat Connector Fam, we'd like to complete your "Welcome To The Tribe" call. It's something our team does with EVERY member who joins us.

Point of the call - to welcome, connect, network, and learn more about each other as well as share (only if it's a fit) our brand new software tool that's disrupting EVERYTHING in the online world.

You free to jump on a quick call?

Chris regardless how casually you say (only if its a fit) I just dread being pulled onto a call, and then end up being sold. I am a buyer who recognizes when I have a need. That being said, out of respect, I will grant a brief call. How do you suggest we go about doing that?

I promise this call is focused on you and connecting. This is definitely not a fishy sales call, ha!

The next step is to coordinate calendars...
